

Appendix F

The Greasers and Socs

Directions:

1. Compare and contrast characteristics of the Greasers and the Socs by sorting the nine words in the word bank into the appropriate Venn diagram categories.
2. Add at least three more words to the "BOTH" category and underline them.
3. Add at least six more words to either or both the "GREASERS only" and/or the "SOC only" categories and underline them.
4. Analyze your Venn diagram and on the lines provided, write a complete (intro sentence, supporting detail, conclusion) paragraph summarizing the stereotypes that each group might view the other as having, as well as the attributes that pertain to both groups. Use the back of the paper if you need more space.
