

# Oral Presentation with PowerPoint

PowerPoint presentation should include at least seven slides, three pictures and the following:

1) Title slide

- 2) Why did you choose this career? Three reasons
- 3) What do you do on this job? What is a typical day like?
- 4) What are the skills necessary to do this job?
- 5) What type of education/certificates/training do you need for this job?
- 6) What is the typical beginning, average, etc. salary?
- 7) What types of jobs can you do in this career?

Your presentation should also include:

- 1) An introduction
  - a) “Thank you for inviting me to your career day. I am a teacher and I am going to talk to you about my job...”
- 2) Speak clearly and loud enough for everyone to hear you.
- 3) Face the audience, not the presentation
- 4) Concluding remarks and ask if there are any questions.
